Harbor Point Mutual Auto Insurance

Bodily Injury Unit

Claim Notes

Claim number:	C-1449
Claimant:	Jose Mercado
Adjuster:	Jerry Hanson

10/05/2024
First notice of loss received from the insured's policy holder reporting a low-speed head-on collision at a residential intersection. The claimant has retained counsel, and all further contact is being routed through the attorney's office.

11/19/2024
Reviewed the submitted photographs, which confirm the general location of the vehicles and the front-end damage described in the report. No independent witnesses have been identified at this stage.

12/03/2024
Estimate review completed. The damage is mostly in line with the described impact, and the repair scope appears consistent with the photos. No earlier damage to the vehicle is known from prior claim history.

01/20/2025
Coverage verification confirmed that the driver is named on the policy and that nothing in the file suggests the damage predates the coverage start. Policy status is active on the loss date.

03/21/2025
Recorded statement from the claimant, through counsel, describes the collision. The claimant gave the same account in every conversation so far. Seating position in the vehicle at impact is still not fully clear from the statements and will need follow-up.

05/13/2025
Medical records received showing a neck strain. The injury matches the kind and force of the crash well, and no eralier injury to the same body area is known. Treatment followed a usual course and tapered off as the patient improved.

05/22/2025
File reviewed and referred for evaluation of the bodily injury component. Open item: confirm seating position with counsel before the injury evaluation is finalized.

Recorded Statement

Claim number:	C-1449
Statement of:	Jose Mercado
Taken by:	Jerry Hanson
Date:	10/13/2024

Q: Thanks for agreeing to give this recorded statement. Can you confirm you're okay to proceed?

A: Yes, that's fine.

Q: Please describe what happened when the collision occurred in Pearland.

A: I was driving on a two-lane road heading toward the shopping center. The other car came over into my lane and we met head-on. It wasn't a hard hit, but it was enough to jolt me forward and back.

Q: What was your speed at the time?

A: I'd say around thirty miles an hour, maybe a little less. I had just slowed down for a turn.

Q: Did either vehicle have airbags deploy?

A: No, nothing deployed. The cars drove away from the scene under their own power, but both had some front-end damage.

Q: Did you get out and speak with the other driver?

A: Yes, briefly. We exchanged insurance information and waited for the police to arrive.

Q: How are you feeling physically since the accident?

A: My neck is sore and stiff, especially when I turn my head to check traffic. I also get a dull ache across my shoulders by the end of the day.

Q: Have you sought any medical treatment?

A: I went to an urgent care clinic the same day. They diagnosed a neck strain and gave me instructions for rest and pain management. I have a follow-up with my primary doctor next week.

Q: Are you currently missnig any work because of your symptoms?

A: Not yet. I've been able to work from home, but I'm limiting my time at the computer because it aggravates the pain.

Q: Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I'll send over the urgent care paperwork when I get a chance.

Q: Tahnk you. This concludes the recorded statement.

A: Thank you.
