Description of the accident (claimant's words)

I was stopped at a red light on a main road in Pearland, Texas, when a vehicle behind me struck the rear of my car. The impact was sudden and I felt my head and back jolt forward and then back against the seat. I extied the car on my own and reported the collision at the scene. Since then I have described the events the same way each time I have spoken with the adjuster, the police officer, and my doctor. I have some lower back pain and stiffness, which my doctor has diagnosed as a back strain. I should note that I am not listed on the policy for the vehicle I was driving, and I do not live with the policyholder. I am providing this account as the person who was operating the car at the time of the accident.
