Description of the accident (claimant's words)

I was backing out of a space in the parking lot of a grocery store in Baytown, Texas, moving slowly with my brake lights on, when the car behind me rolled forward and struck the rear corner of my vehicle. I stopped right away, checked on the other driver, and then sat down on the curb because my left wrist was throbbing badly. I was taken to an urgent care clinic, where the doctor confirmed a fracture. I have been consistent about what happened every time I have described it to the adjuster, the clinic staff, and the people I spoke with afterward, and I have nothing to add or change. I am the named driver on this policy and I was operating the vehicle with the owner's permission. I am submitting this statement so the damage to my car and my medical costs can be reviewed.
