Claim Notes

Claim number:	C-1460
Claimant:	Monica Stout
Adjuster:	Chelsea Hebert

05/26/2024
Claim received for a side impact at an intersection involving our insured vehicle. The claimant is represented by counsel, and all further contact is being routed through the attorney's office.

06/17/2024
Reviewed the policy and confirmed the driver of the vehicle is named on it. Coverage was in force on the date of loss, and nothing in the file suggests the damage predates the coverage period.

07/03/2024
Obtained the police report, which places the claimant inside the vehicle at the time of the collision. Two independent witnesses describe the crash in the same sequence the claimant gave.

07/17/2024
Photos from the scene and the other driver's statement agree with the reported accident sequence. The damage to the vehicle is mostly consistent with the described side impact, and no earlier damage to the vehicle is on record.

07/25/2024
Counsel submitted the medical file showing a wrist fracture. The injury fits the kind and force of a side impact of this type, and no prior injury to the same area appears in the records we have.

09/01/2024
The claimant has given the same account of the collision in each conversation so far, including the initial call, the recorded statement, and the follow-up through counsel.

09/02/2024
Treatment followed a typical course, with physical therapy and follow-up visits. The provider notes show steady improvement, and visit frequency has tapered as the patient recovered.

10/20/2024
Reviewed the bills and treatment timeline against the injury. The care pattern is consistent with a standard recovery for this fracture, and no unusual gaps or escalations appear.

01/05/2025
File is in order on liability, damage, injury and coverage. Next step is to finalize the injury evaluation with counsel and set a settlement conference.

Recorded Statement

Claim number:	C-1460
Statement of:	Monica Stout
Taken by:	Chelsea Hebert
Date:	05/27/2024

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, so you can just use the claim number.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through the intersection in Sugar Land, Texas, heading east on the main road. The light had been green for me when I entered.

Q: What happened next?

A: A vehicle coming from the cross street on my right pulled out and hit the driver's side of my car. It was a side impact, and my car spun a little before stopping.

Q: Did you see the other vehicle before it hit you?

A: Not really. I saw something move at the edge of my vision, but I didn't have time to react. I braked as hard as I could.

Q: Were you injured?

A: Yes. My left wrist hit the door frame and the window area. I was taken by ambulance to the hospital, where they found a fracture in my wrist. I've been wearing a splint and I can't grip things well right now.

Q: Did you have any passengers?

A: No, I was alone in the car.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was following the traffic rules and I'm willing to provide my medical records and the repair estimate for the car.

Q: Thank you. This concludes the recorded statement.

A: Thanks.
