Description of the accident (claimant's words)

I was changing lanes on a multi-lane road in Sugar Land, Texas, when the vehicle in the lane beside me drifted over and struck the side of my car. I had checked my mirrors and signaled before moving over, and I came to a stop almost immediately after the impact. The otehr driver stayed at the scene and I gave the same description of what happened to every person I spoke with, including the officer who responded and the adjuster who later called me. I am the named driver on this policy and was operating my own vehicle at the time. Since the collision I have had stiffness and pain in my neck and lower back, and I have been seeing a doctor for treatment of a neck and back strain. I am submitting this statement so the claim can be reviewed based on my account of events.
