Description of the accident (claimant's words)

I was changing lanes on the highway in Katy, Texas, checking my mirror and signaling as I had done many times before. A pickup truck in the lane beside me moved over at the same moment, and our vehicles sideswiped each other. I pulled onto the shoulder and felt dizzy and confused, and later I was diagnosed with a concussion. I have described what happened the same way to the officer at the scene, to the adjuster, and to the medical staff who treated me. I am insured under this policy as a member of the household, since I live with the policyholder. I am submitting this statement so the claim can be reviewed, and I am willing to provide any futrher details or records that would help.
