Dear Claims Representative:

This firm represents the client in connection with injuries sustained in a side-impact collision at an intersection. Please direct all further communication regarding this matter to our office and do not contact our client directly, whether by telephone, mail, email, or through any representative. Kindly cnofirm in writing that you have received this notice and that the claim file has been opened.

We request disclosure of the bodily injury liability limits under each policy that may apply to the insured driver and vehicle involved in this incident, including any umbrella or excess coverage. Please also identify any other policies you believe may provide coverage.

We further ask that your insured and your company preserve all evidence relating to this collision. This includes vehicle data and event recorder information, photographs, dashcam or surveillance footage, witness statements, claim notes, recorded statements, repair and salvage records, and all related correspondence.
