Description of the accident (claimant's words)

I was driving slowly through an intersection in Pearland, Texas, when the car in front of me stopped and I could not avoid hitting it head-on. The impact was low speed, but my right knee struck the dashboard and I felt sharp pain right away. I stayed at the scene until help arrived and I have been treating the knee since then. Looking back over my notes, I have added a few small details as I remembered them, but the core account has not changed. I am the named driver on this policy and I am submitting this statement so the claim can be reviewed.
