Description of the accident (claimant's words)

I was driving through the intersection on a green light when a vehicle coming from my right ran its red and struck the passenger side of my car. The impact spun my vehicle partway around and pushed it toward the curb. I stayed in the driver's seat until the police arrived, and I gave the officer the same description of what happened that I have given to the adjuster and to everyone else I have spoken with since. I am the named driver on this policy and I was the person operating the vehicle at the time. Shortly after the collision I noticed stiffness and pain in my neck, which a doctor later diagnosed as a neck strain. I have been following the treatment plan, and I am submitting this statement so the claim can be processed.
