Description of the accident (claimant's words)

I was drviing home on a weekday afternoon when the car in front of me slowed suddenly, and I braced for impact as the vehicle coming toward me crossed into my lane. We were both traveling slowly, so the collision was a low-speed head-on impact, but it was enough to jerk my body forward and back against the seat. I got out of my car on my own and felt stiffness spreading through my neck and lower back within the hour. I have been seen by a doctor, who diagnosed a neck and back strain. I have described what happened the same way each time I have spoken about it, to the officer at the scene, to my insurer, and to the medical staff. I am the named driver on this policy and I am submitting this statement so my claim can be processed.
