Re: Claim C-1498
Our client: Allen Yang
Date of loss: September 22, 2023

Dear Claims Representative:

This firm represents our client in connection with the rear-end collision in which they were injured. Please direct all further communication regarding this matter to our office and do not contact our client directly, whether by telephone, mail, or in person. If your insured or any representative has spoken with our client about the incident, please let us know so that we can address it.

To allow us to evaluate the claim properly, we request a complete statement of the liability coverage available under the policy, including the per-person and per-accident policy limits, and written confirmation of those limits. Please also provide the claim number assigned to this matter and the name of the adjuster handling it.

We further ask that your company preserve all evidence relating to the collision. This includes photographs, dash camera or telematics data, vehicle event data recorder information, recorded statements, claim file notes, rpeair estimates, and any communications with the insured or third parties. Please ensure that no vehicle involved is repaired, salvaged, or disposed of without first giving us an opportunity to inspect it.

We look forward to your prompt written response.

Sincerely,

Kyle Sanders
