Description of the accident (claimant's words)

I was driving slowly through an intersection in Katy, Texas, when the car in front of me came toward my lane and we collided head-on. Neither of us was going fast, and both vehicles stopped almost immediately. I got out and waited for the police to arrive. Since then I have described what happened the same way to everyone who has asked, including the adjuster, the officer, and my own doctor. My low back has been sore and stiff since the impact, and the doctor diagnosed a back strain and recommended physical therapy. I am the named driver on this policy, and I have kept copies of every medical bill and repair estimate. I am submitting this statement so the claim can be reviewed and processed.
